

Westlake High School
*Spring 2017 School/Community
Council Candidate Application*

The School/Community Council at Westlake High School is divided into elementary areas (as approved by the council), to give fair representation throughout all communities and developments. Serving on our School/Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at our school. The school receives an annual dividend from the school trust lands. Our council decides how these funds will be used. Council members can plan on a total of 6-8 meetings held throughout the school year. The meetings will be approximately 2 hours each. If there are multiple candidates from the same area, an election will be held from March 28 – March 30, 2017. Ballot boxes will be in the front office and in the attendance office. We will be accepting the Candidate Applications through March 24th by US Mail, email, or dropping it off to Natalie Clark in the front office. Please call if you have further questions 801.610.8815.
