

## **P**rincipal

It's an exciting time to be a Pioneer! Our Lehi roots run deep, and we are fortunate to be part of such a great, supportive

community. There are a lot of great things happening at Lehi High School, and we have highlighted some of them for you in this year's stakeholder's report.

Our teachers and staff continue working hard to help students achieve high levels of learning through engaging instruction and extracurricular programs. Our rebuild is well underway, we were able to begin second semester in our new CTE building. We express sincere appreciation to our school faculty, staff, and especially to our parents and the community for their patience and support.

## Counseling Corner

### ACT EXAM INFORMATION

On February 20th, all Lehi High Juniors will be offered the opportunity to take the ACT exam for FREE. They will register in their English classes.

### ACT PREP OPPORTUNITIES

Act test prep courses are available for English, Math and Science. Each week, over a three-week cycle, a different course will be taught to help prepare students for the upcoming ACT test. Test prep classes run Tuesday, Wednesday, and Thursday from 2:30-4:30 p.m. Cost for each prep course is \$15.00. To sign up, pay the financial office. Visit <https://www.lhscounseling.org/act-prep.html> for more info.

### SCHOLARSHIP INFORMATION

Scholarship information is regularly updated at <http://lehicounseling.weebly.com/scholarships.html>. If you have questions or need assistance, call the counseling office or talk to a counselor.

## LEHI HIGH SCHOOL

180 N 500 E, Lehi, UT 84043

## ADMINISTRATION

Doug Webb, Principal  
Ben Abrams, Asst. Principal  
Matt King, Asst. Principal  
Eric Loftin, Asst. Principal

# Land Trust Accountability

2017-18 School LAND Trust Report  
Amount Allocated: \$127,392

The use of school LAND Trust money is determined by the Lehi High School Community Council (for more information about School Community Council - SCC, visit <https://goo.gl/mcW3SA>), and it is based on the School Improvement Plan.

The 2017-2018 School Improvement Plan focused on raising the achievement level of all students. The areas of focus for the School Improvement Plan were to increase student performance in Secondary Math II, Physics and Chemistry, Science, English, and maintain graduation rate of 93%.

Lehi High used LAND Trust funds to support academic needs in the following ways:

- Funded student advocates and data specialists to monitor student progress.
- Funded math lab class and intervention aides.
- Funded summer collaboration for science and math teachers.
- Funded Intern English teacher to reduce class size.

Teachers at Lehi High continue to work to improve academic performance and growth in all subjects.

Student testing measures will be compared, disseminated, and used to guide decisions with LAND Trust money. With our continued efforts as a School Community Council, LHS has maintained graduation rates, developed teacher learning, and improved student academic performance and student achievement.

# LHS Academics

## Student Achievement

Lehi students had gains in content mastery of close to 6% in both English and Math. They showed a slight decline in science of less than 1%. For more information go to <https://utahschoolgrades.schools.utah.gov>

More students are taking advantage of Concurrent Enrollment and Distance Education options. It's great to see them thinking about their future!
