Trustlands Discussion
- We have received the amount that we need to build the budget around for next year. We will receive $108,071.
- The following has been proposed for next year:
  - The School Improvement Plan is to increase our graduation rate by 1%.
  - $33,000 to replace one full computer lab or 2 chrome book labs
  - $9000 for subs when teachers are gone for professional development reasons
  - $1500 ACT Promotions
  - $66,000 Student Advocate wages and credit recovery centers such as Eastshore Center and the new Sophomore/Junior credit recovery center that we will be doing next year.
There was a question about putting some money towards the AP programs. Mr. Openshaw explained that there is AP money that we get where we could form a committee and put an area of focus on the AP classes to collaborate using AP money not Trustlands money.

Consensus was met and everyone felt good with the direction of how the money was going to be spent. Mr. Openshaw will go ahead and write up the grant and get ready to sign. All were in favor.

**Items**

- Parent/Teacher Conferences are tomorrow. Everyone that can, put their signs out. If you will be done serving your term, bring them back to the school.
- Junior (next year's seniors) class registration went well. The counseling office is happy with how smooth is seemed to go. The CCR's have started for this group. Parents are encouraged to attend this meeting with their student. If their schedule is incomplete, they will complete at the CCR appointment. They will conclude at the end of February.
- Michael McKonkie reported from the Student Council how well things have seemed to go this year. He encourages students to support “Thorsday”. Everyone can dress up in their Westlake gear and show their school spirit. Hope Week just concluded. It has been a great week! Student Council elections will be coming up. The thing we have seen this year is the student leaders have been much more active at Westlake and have done a great job!
- The FREE ACT test for juniors is coming. It will be on March 4th. This day will be a really good day for 12th grade students to schedule a college/trade campus visit and 10th grade student to job shadow with a parent or guardian. Juniors who are taking the test must be here by 7:45 am. This is a traditional ACT exam and scored. Parents are encouraged to not check their student out during the day and to have their student to school on time; otherwise their test will be forfeited. Please bring a No.2 pencil and approved calculator. NO CELL PHONES WILL BE PERMITTED. The test will be over at approximately 12:00 noon.
