We. Are. Westlake.
“Westlake is a great place for students. It is clear that teachers genuinely care about their students and want them to excel not only in their academics, but in every aspect of their lives. Because of the welcoming atmosphere from the students and faculty, I have always felt at home at Westlake.”

Hailey Hunt, Student

“I’m inspired by the students at Westlake. I met one student who learned Morse code just for fun. Another student was working with her grandfather to restore an old car. A senior recently applied for Yale. I’m also inspired by my co-workers. Just today one of my colleagues offered to pay the $55 application fee for a student who is unable to afford UVU’s admission application. I’m surrounded by committed people who are not only hard working, but also very compassionate. Light and Excellence everywhere I look.”

Jared Landvatter, Counselor

“Westlake is a fabulous school. Even though our numbers are high, as teachers, we strive to make EVERY ONE MATTER. We work to make each student and parent know they are valued and important. We offer something for everyone from sports to performing art to all of the CTE courses. There is a place for everyone at Westlake.”
