

School-to-School Enrollment Form

Instructions: This form is to be used for students who are desiring to attend an out of boundary school to participate in a curriculum **not offered** at their home school. The form is originated at the Receiving School's counseling department.

NOTE: If this form is for athletic purposes, your parent signature means: 1) Your child has tried out and successfully made the team. 2) Your child is academically eligible to participate, which means 2.0 GPA AND does NOT have 2 or more F grades (an "I" grade will count as an "F" grade) from the previous completed term. 3) It is the parent that is responsible to arrange transportation to the high school. 4) Upon completion of the season, students are required to maintain attendance at the high school until the current grading period ends. Students may NOT be at their junior high/middle school during their enrolled school-to-school period.
